Dear Brinklow Football Club Seniors,

A big thank you from all of us at the Air Ambulance!

"I don't remember a thing about the accident. The first thing I remember is waking up in intensive care. Quite simply Warwickshire & Northamptonshire Air Ambulance saved my life. I'm lucky to be alive"
John

This quote is from a patient who was rescued by Warwickshire and Northamptonshire Air Ambulance (WNAA), just one of over 100 patients we save every single month.

These missions are only possible because of the kind support we receive from generous people like you.

We receive no Government or National Lottery funding but rely entirely on kind donations and fundraising events like yours to keep flying and saving lives.

Thank you for your donation of £300 raised from your various fundraising efforts and for helping us to keep on flying and saving lives. You really have made a difference.

We have lots of fundraising events planned this winter. We'd love to see you there if you'd like to come along – and you may even get to see the helicopter! You can find more details on our website www.wnaa.co.uk, or by calling 08454 130999.

Yours sincerely

Claire Marshall
Director of Fundraising
