

**Alan & Heather Yuend Benevolent Fund**  
**Brinklow Football Club 2006**

The Guardians of the fund is the Management Committee of Brinklow Football Club.

The fund will provide either financial assistance or suitable gift to any player or member of Brinklow Football Club, who in the belief of the Guardians, is in need of help.

The Guardians must consider any recommendation for a Benevolent Fund payment individually on the circumstances of that particular recommendation alone.

Any recommendation should be made to the Management Committee by a Club Official. On receipt of any application the Treasurer will recommend to the Management Committee what contribution towards the total cost of the request should be made. The contribution shall be a one off payment.

As the Benevolent Fund was set up for the Football Club, recommendations for payments should be for players or members who are unable to participate in the Club's activities in the manner that they normally would due to unforeseen circumstances.

All discussions and decisions will be recorded in the Management Committee minutes.

A donation to the Brinklow Football Club Benevolent Fund can be made by any person or organisation at any time.

The Treasurer of the Football club should consider and recommend to the Annual General Meeting any contribution to the Benevolent Fund from the Football Club.
