Brinklow U9s celebrating at their tournament

■ EASTLANDS U10s came within a whisker of victory at the Brinklow six-a-side, but were edged out to a golden goal, having completely dominated the normal first period.

Goals from Will Morgan, Nathan Snutch and Charlie Britton took Eastlands through the group stages before knocking out hosts Brinklow with a narrow 1-0 win in the semi-finals.

The final was one-way traffic as Eastlands had all the shots and Copswood didn't even test keeper Camren Mistry until their first golden goal killer shot which took a huge deflection to gift them the trophy.

Congratulations to Brinklow for such a friendly tournament, considering the afternoon down-pour and thunderstorms.

England day back page

■ Brinklow U11 girls collected their first trophy of the season on Saturday. Playing only their second tournament together, the girls Emily Ferguson, Tia Stewardson, Rebekah Ryan, Ellie Langhorn, Charlotte Roberts, Charlotte Entwistle, Melanie McKay, Bailey Wiggitt, Kiri Gibson, Joanne Thompson and Inogen Humphries went through the Chetwynd AFC six-a-side tournament without losing a game, not conceding a goal and scoring eight.

The girls worked really hard as a team, playing some lovely passing football. All the girls played their parts with most of them playing in different positions. The team had five different goal scorers with Emily Ferguson in fine form in goal.

All the clubs who took part in the tournament played the game in the right manner. A big thank you to Chetwynd AFC for putting on a very good tournament - every team had a great day out.
