

Aims and Objectives:

(Paul, I can't remember.....knowing me I probably said to win the League and Cup double)

Conclusion:

Successfully established the Club into the Mid Warwickshire Boys league, allowing opportunities for the younger age groups to play football on Saturday's in the future, if desired.

All 17 players across the 2 teams have shown improvement in their ability.

Colts competed well in a strong Division 2 finishes mid-table and only narrowly losing out in the Cup to the Runners-up in Division 1.

Juniors finished a respectable 3rd in Division 1 and were Runners-up in the League Cup.

We will continue to have 2 teams playing 7 v 7 in the Mid Warwickshire U10s next season,
